Amico Yasna Pars (Pr.J.S.Co)

**XXV ANNUAL CONGRESS
OF THE IRANIAN SOCIETY
OF OPHTHALMOLOGY**

Essence of Excellence

Amico Yasna Pars in 25th annual congress of Iranian Society of Ophthalmology

Amico Yasna Pars as gold sponsor of **25th annual congress of Iranian Society of Ophthalmology** like every past years, will be participating strongly by introducing comprehensive and impressive portfolio and also with best offers in order to achieve the maximum reliability and satisfaction from your side.

Amico Yasna Pars has set its strategies to increase more valuable products of reputable brands in ophthalmology market every year and as always this congress would be the best opportunity for us to introduce our new products with the hope of achieving your interest and expectations.

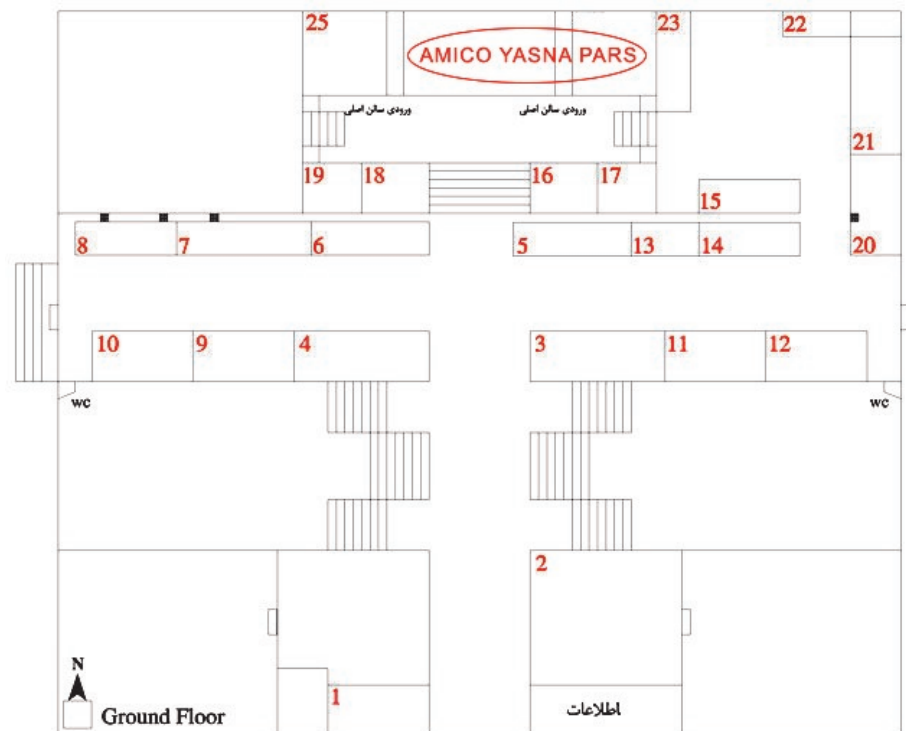

As the paramount news, **Amico Yasna Pars** has undertaken the sponsorship of **EYENET** magazine for the first time in IRAN and the **25th annual congress of Iranian Society of Ophthalmology** would be the best place for you to visit our booths and complete your registration for receiving **EYENET** magazine from **Amico Yasna Pars**.

Also new brands such as **Geuder** and **KC SOLUTIONS** will be Launched by **Amico Yasna Pars** for the first time.

Amico Yasna Pars will proudly undertake and organize the ceremony for graduates of **RASOUL AKRAM University** on **13 December 2015 night (The night before starting the congress)**.

Also there is a live surgery program on **Friday 18 December 2015** in **NOOR HOSPITAL** for cataract surgery using our Phaco machine **WhiteStar Signature** and **Tecnis**

One-Piece and Tecnis Symphony IOLs.

EyeNet

IRAN EDITION

**AMERICAN ACADEMY[®]
OF OPHTHALMOLOGY**
The Eye M.D. Association

Sponsored by **AMICO YASNA PARS**

The American Academy of Ophthalmology and EyeNet Magazine

The **American Academy of Ophthalmology (AAO)** is the largest U.S. membership association of ophthalmologists. It includes more than 90 percent of practicing U.S. Eye M.D.s and more than 7000 international members.

The mission of the American Academy of ophthalmology is to advance the lifelong learning and professional interests of ophthalmologists to ensure that the public can obtain the best possible eye care. To enable its members to

meet these goals, the Academy provides a wide variety of programs, products and services to Eye M.D.s and the patients they serve including **EyeNet** ophthalmology magazine as one the most well-known resources in the world.

Amico Yasna Pars and EyeNet Magazine

In order to have stronger and closer relationship with high-end level society of ophthalmology through participation in academic and scientific events as one of the main goals of **Amico Yasna Pars**, it is proudly announced that this company will be acting as an exclusive sponsor and distributor of **EyeNet-IRAN EDITION** in Iran. **EyeNet-IRAN EDITION** is a booklet (Seasonal Format) of reprinted articles selected from **EyeNet** Magazine.

To help us to have effective, smooth and fast distribution of this magazine, you are kindly requested to complete your registration form which has been sent to you along with this especial edition of newsletter. We will be grateful if you fill the form with comprehensive info

asked and deliver it to **EyeNet** counter in **Amico Yasna Pars** booth.

For the first 500 registrations completed, we shall provide the free hard copy of magazine on quarterly basis. Other valued members will

receive an electronic version of magazine after completing the online registration form through **Amico Yasna Pars** official website (www.amicoyasnarpars.com). Please let us meet each other for further information you may need.

25th annual congress of Iranian Society of Ophthalmology

XXV ANNUAL CONGRESS
OF THE IRANIAN SOCIETY
OF OPHTHALMOLOGY

25th annual congress of Iranian Society of Ophthalmology will be held on **14-17 December 2015** with aim of introducing the last findings of **ophthalmology** and high-end technologies in the world in a way of producing knowledge and increasing the quality of ophthalmic services in our country along with developed countries.

11 symposiums and 29 workshops have been organized for this event.
